# WELCOME TO HARROGATE COLLEGE

It's the start of a new era for Harrogate College following a £6m campus redevelopment that has seen brand new industry standard facilities opening.

We are delighted to invite you to spend the morning with us to give you an idea of Harrogate College life and what it's like to be part of our student body. You can have a go at one or two subjects and we will help you make some of those upcoming decisions about what, and where, you would like to study after Year 11.

The day will be fun as well as informative and you will get the opportunity to ask questions about courses and facilities and, above all, enjoy yourself.

Take some time to read through this booklet to look at some of the facilities you could be visiting and the taster sessions available. You will be asked to provide two choices on the form at the back of the booklet.

**We look forward to seeing you!**
