

DERMAQUEST PROFESSIONAL PEELS

These treatments are some of the most innovative and effective treatments, mindfully crafted with the most important skincare concerns as their highest priority. Proven to transform, revive and rejuvenate, the result-driven formulations range from therapeutic masks to powerful rescue operations, serving as testament to DermaQuest's unparalleled advancements in skincare.

Harrogate College is proud to be offering these innovative products and treatments in our fully supervised clinic run by our Foundation degree students. The clinic is available on Tuesdays in our modern salon.

Lactic Acid Resurfacing Treatment (30 Mins)

This is for clients with irritated sensitised skin, it will soothe irritated acne and rosacea. It will soothe sensitised skin and give gentle exfoliation. This treatment calms redness, lifts fine lines and wrinkles, while improving texture, hydrating
